Projecting the CPA into the 21st Century

My Goals

- Make the lobby feel less outdated
- Make use of the display case space
- Make the room more comfortable to sit and relax in between classes
- Improve the walking flow of the room
- Inform people of where they are

Feasibility & Cost

- Projectors are cheap (~\$500)
 - Bulbs and electricity are more of a concern
- Pull down screen is an easy fix to replace the display case
- The projector can be wired through the drop ceiling
